**Ombé Brows | R1400**

Ombé shading is a semi-permanent eyebrow styling technique that uses a small machine to place extremely thin dots of pigment into the skin, creating a soft-shaded brow pencil look.

**Microblading Brows | R1300**

Is a semi-permanent technique for enhancing the appearance of the eyebrows, in which pigment is placed into the skin in fine, short strokes resembling hair

**Eyeliner top&bottom R1600 | top OR bottom R1100**

Permanent eyeliner involves using a machine technique to apply pigment along the lashline to create the appearance of eyeliner.

**Brows | Eyeliner Touch up after 6 weeks R950**

**Brows | Eyeliner Yearly Touch up (my work) R1100**

**Lip Liner R1200 | Touch up after 6 weeks R950**

**Full lip Blush R1800 | Touch up after 6 weeks R1100**

Lip blushing "tattoo" is a form of semi-permanent makeup using a Machine technique. Lip blush delivers a more natural look and give the illusion of fuller lips.

Pigment will fade with 50% depending on how your skin absorbs the pigment.

Makeup will be good for a year or longer!
